An ExpoDisplays Product

Podium

The ExpoSpaceSaver Podium (SS-POD10) offers maximum graphic space, storage and portability. The aluminum framework is complemented by black feet and a black laminated top. The podium comes with black hinged sintra front and back panels, black sintra sides. All sides are attached magnetically, which allow for easy removal and storage use inside the podium. The podium can be upgraded with graphics on each of the four sides. Standing at 42" tall, the podium assembles easily using a star key wrench (included). The entire podium fits into one SC50 case (not included), which can ship via FedEx® or UPS®.
